

On behalf of Softball Canada, Slo-Pitch Ontario and Slo-Pitch City welcome you to the

2023 Men's and Women's Canadian Slo-Pitch Championships

Where: Slo-Pitch City, Dorchester, Ontario

When: August 13 – 19, 2023

ST. CATHARINES, ON - Slo-Pitch Ontario and Slo-Pitch City have partnered together to once again host the Men's and Women's Canadian Slo-Pitch Championships. The Event will be held August 13th to 19th, 2023 at Slo-Pitch City, located in the beautiful Town of Dorchester, Ontario, located just down the 401 from London.

Slo-Pitch Ontario Association ("SPO") was formed in 1982 in an effort to create more awareness of the sport of slo-pitch and to better communicate with its participants throughout Ontario. Our volunteer based, not-for-profit Association has worked extensively over the years to develop many programs and services to assist players, coaches, league executives, umpires and convenors/directors with their local programs. Our Mission, in part, is to institute, regulate, foster and improve the game of slo-pitch and to protect and promote the mutual interests of all of our Members.

In 1992, SPO became a member of Softball Ontario and affiliated with Softball Canada, the officially recognized slo-pitch/softball organizations. Slo-pitch softball is one of the largest adult team sports in North America, with over 2.5 million Canadians playing the grassroots game every season.

Each year, Softball Canada presents 12 Canadian Championships in various locations across the country. These Championships represent the pinnacle of many athletes' careers, as they compete for the title of National Champion. To attend a Canadian Championship, teams must first qualify within their Province or Territory.

Slo-Pitch City is one of the premier slo-pitch facilities in Canada and, in many ways, the home of SPO. It features eight diamonds situated in a beautiful park-like setting. Shaded areas, a playground, a large patio with propane heaters for cooler summer nights, countless picnic tables all over the property, four outdoor bar areas (including one with a large TV), Muskoka chairs, wine barrel tables with umbrellas, a BBQ pit, a full-service bar and restaurant, juke box, pool tables, and even a corn hole zone, together with warm, friendly staff, await all participants and their families.
